Practical English Grammar for Teachers and Second Language Learners

Programme Code: ENLT9011

Application Code: 1655-1258NW

2508 8867

charmaine.sung@hkuspace.hku.hk

This course is specially designed for teachers and learners of English as a second language. It demonstrates how major types of grammar, including Functional Grammar, Prescriptive Grammar and the practical syntax rules for everyday use of English can facilitate the communicative process, the negotiation of meanings, and rhetorical analysis of English text in academic and workplace situations as well as real-life settings. The emphasis is on how Functional Grammar can be taught and learned as a meaning making model of English language and a stratified system in terms of context, register, genre and text.
